Every morning, students hear a variety of messages to keep them informed of events, activities and opportunities. These Daily Bulletins are located on the MIT Academy website Communications tab where everyone can read them at their convenience. Here are a few examples:

Big-time kudos to Activities Director Tyler Grinberg (and his exuberant assistant, Jeff Katz) for a terrific "**CLUB RUSH**" event held on Friday! Student turnout was terrific, and clubs really got a chance to strut their stuff. And who knew the Anime Club was going to take the opportunity to do a fashion show of classic anime characters? This event was a resounding hit! It especially speaks well that MIT offers a safe enough culture for all groups to feel secure and supported - - truly something for everyone! Many thanks to Mr. Grinberg and his merry gang of assistants for their vision, energy, and enthusiasm!
