BLACK HISTORY MONTH:

We are proud to feed your mind one day at a time for Black History Month. Your daily dose of history for today is: On February 25th:

Did you ever enjoy water gun fights as a kid? Well, meet Lonnie Johnson, the man that gave us the most famous water gun — the Super Soaker. He also created the Johnson Thermoelectric Energy Converter (JTEC) which converts heat directly into electricity — but it's the squirt gun he created that has given us all the most joy.

COLOR-GUARD COMPETITION:

Congratulations to our Color Guard teams! The middle school placed 1st and the high school placed 2nd at the 2019 San Mateo Winter Guard show! Great job Color Guard Teams!

CLASH OF COINS TOURNAMENT:

Clash of Coins is on! Clash of Coins is a simple, competitive game that goes for 6 weeks which ends on **Friday, March 15**. The advisory class with the most points will receive a food party of their choice on **March 22**. The way it works is simple, we have put a jar in each of your advisory teacher's desks in which you can add coins in order to raise your class's points. Silver coins take away points. Pennies and dollar bills add points. Every other week, the scores will be announced.
