Clash of Coins is on! Clash of Coins is a simple, competitive game that goes for 6 weeks which ends on **Friday, March 15**. The advisory class with the most points will receive a food party of their choice on **March 22**. The way it works is simple, we have put a jar in each of your advisory teacher's desks in which you can add coins in order to raise your class's points. Silver coins take away points. Pennies and dollar bills add points. Every other week, the scores will be announced.

Tomorrow is the end of PR4. Students, please make sure all of your assignments are turned in. It is also Late Start Day! Classes begin promptly at 9:29 am.
