**HERE COMES WASC:**

Students, next week we will have a team from the Western Association of Schools and Colleges ("WASC") visiting MIT Academy to review our program and make a recommendation for our continued accreditation. The WASC accreditation is important because it allows colleges to accept our transcripts and coursework, and so we are hoping for a maximum 6-year accreditation. You will probably see WASC members on campus Monday through Wednesday, and some of you will be asked to be part of student meetings to talk about the school. Please be friendly and honest with our visitors, and be sure to give them a big MIT welcome!
