

**Good Morning MIT Academy!**

Please stand for the Pledge of Allegiance.

**I pledge allegiance to the flag of the United States of America  
and to the republic for which it stands, one nation under God, indivisible,  
with liberty and justice for all.**

**ATTENTION STUDENTS:**

We politely request that you do not block any of the entry /exit gateways, throughout the day, but most importantly during morning drop off or afternoon pick up. Please be courteous of others trying to get to and from classes on time. Your assistance is much appreciated!

**PINK PANTHERS:**

On April 7th, at the First Annual Northern California M.A.T.E. ROV Competition our Middle School's Underwater Robotics Team (the Pink Panthers) was granted an award. Overall, score wise they came in 4th Place but won instead the coveted 2018 Spirit Award! This was the first time such an award was ever given. Coach and Robotics Teacher Laurie Guest is extremely proud of Xareni Ortega, Paola Razo and Daisy Romero. She is also very grateful to MIT Academy administration, students and parents for their support of her program, the hosts: M.A.T.E. (Marine Advanced Technology Education), and CSU California Maritime Academy and her mentor Jim McDonnell.

**MULTI-CULTURAL DAY:**

Tomorrow, Friday, April 13 is Multicultural Day! We encourage you to come dressed representing a culture or subculture. Please remember that your attire cannot be offensive in nature and is traditional dress. Outfits must comply with the Multicultural Day theme. A reasonable person should be able to understand that your outfit is in the spirit of Multicultural Day. Using this day as a way to skirt dress code rules will be considered a dress code violation, so if in doubt, follow the school dress code. We look forward to celebrating our diverse MIT community this Friday!
