

SPOKEN WORD CLUB **“VICIOUS VERBAGE”**

Don't be average...let your rhymes be SAVAGE

Spoken word has been performed by artists all over the world. It is an art form. It is music. It is free. Let YOURSELF express YOURSELF in a space made for your truth. Join the Spoken Word Club and let your voice be heard!!!

Have you got the power? Are you ready to show it? You may be a poet...and not even know it.

Thinking about learning how to express yourself in rhyme?

I'd love to hear your stories! I'll rap a few of mine!
