

Posadas Order Form (Senior Copy)

Instructions for Seniors: First, let the customer fill the bottom portion of the order form. Once they fill it out and give you money, fill this form out and make sure the amount of money given to you is the correct amount of money for what they ordered. Once that is done, then you can tear the bottom part of this form off and give for them to keep. Make sure you then wrap the money in this form, and turn it in like that to either Alexis or Conrad.
