Dear Parents/Guardian,

Our staff invites you to Back-to-School Night on Wednesday, August 27, 2014. The evening is designed to provide you with an opportunity to visit your child’s classes by following his/her schedule. In class, you will be informed about this year's goals, curriculum, and classroom expectations for student work. Parents will be awarded two hours of parent commitment time for their participation* (sign-ins conducted during third period). The first class begins at 6:00 p.m. sharp.

Throughout the night you will follow your child’s “Wednesday” schedule, when all classes meet. You can print out a schedule from PowerSchool, or your student can complete the information below. Either way, please bring this schedule with you on August 27th. Note third period is five minutes longer in order for parents to complete the parent commitment sign-in along with a parent satisfaction survey.

Note parents who need assistance with Parent Portal (PowerSchool on-line access) can get tutoring and one-on-one assistance in the office throughout the evening.
